With little effort and cooperation from all we can achive this goal. See pages 72-73 for written report. Andy Banis PSG reported that the current District Governor has not furnished an article to the Traveler. It is imperative that the Governor supply the editor with a report for every issue. Vice Chairman Peter Kireopoulos referred the suggestion from Andy Banis to the Grievance Committee. Byron Gavrilis reported that receiving the Traveler through the Internet was a great idea. To do this we must have every members E-mail address. Alex Bazos reported that the easiest was to build up your data base is for those that wish to receive the Traveler via the Internet must provide their E-mail address to the Editor. Bill Christie suggested that at this time he would only need one E-mail address for each chapter. The Chapter Secretary or one member of the chapter then would print the Traveler and pass it on to the Chapters membership.

At this time Bill Booras moved that the Charitable Raffle be continued for the year 2005. Stamus Cocolas seconds the motion. Motion passed. Golden Gate District #21
Education Foundation
Byron C. Gavrilis, Chairman
Board of Directors
May, 2004

Serving as a member of the Education Foundation Board for the past two years has been a most rewarding experience. My first year as Board Chairman has been an exceptional experience. While serving on the District Lodge as Secretary, I have been able to accompany our District Governor on most of his chapter visitations. This has given me the opportunity to carry the message of the Foundation to each of the chapters I visited, explaining the purpose and rewards of the scholarship program and challenging each chapter to support our effort with chapter sponsored Foundation Scholarships of \$1,000. To this date, at least six chapters have donated \$1,000 for this purpose. Fresno and Oakland have made multiple donations, both for individual chapter sponsored awards and to the Foundation treasury with which to fund ongoing scholarships for future years.

It is important that chapters support the scholarship program. These donations bring credit to those chapters and allow the Foundation to award more scholarships than those permanent scholarships that are allowed by funds from the Foundation treasury. The current balance in the treasury is approximately \$250,000.

On behalf of the members of the Board I would like to express our appreciation to Past-Chairman Jim Nicolaou for the many years of dedicated service that he devoted to the goals and purposes of this program.

The quality of our applicants has been mind-boggling. I would like to adopt each of them. The expressions of appreciation for and financial need have been heart-warming. I have met personally with the evaluator, a professor who lives in Berkeley. He has related how he has been strongly inspired by his reviews of our applicants, year after year.

As of this writing it would appear that the AHEPA Education Foundation will be able to award sixteen scholarships at this year's Grand Banquet.

CHAPTER INVOLVEMENT

The HAVM Committee needs the support of chapters of the AHEPA, Philoptochos, and Greek American organizations in the following areas:

first, create awareness and register veterans for the Wall of Honor;

second, raise money for the general donation fund. Register Veterans

We ask that you organize a committee of two or more members to create awareness of the Memorial and to contact veterans. Begin by registering veterans in your family, in your chapter, then veterans in your community. Encourage members and veterans to spread the word.

General Donations

Funds are needed for operating expenses. We ask your chapter to make a donation as soon as possible and hold a fund raising event for the benefit of the Memorial. An event could be given in conjunction with a commemoration to the veterans in your community.

Any amount will be appreciated and those supporting the Project will be recognized on our website. Donation levels have been created:

Any Amount.....	Good Conduct Level
\$100.....	Unit Citation Level
\$250.....	Bronze Star Level
\$500.....	Silver Star Level
\$1000.....	Meritorious Service Level
\$2000.....	Distinguished Service Level
\$2,500 or More.....	Performance Above & Beyond

Individuals, chapters, organizations and corporations may become sponsors. Sponsorship begins at \$100. Donations can be made in installments to attain the various donation levels.

After a committee has been created, provide the Project Chairman with all contact information so we can provide you with guidelines for registering veterans and support materials.

Help us honor our veterans; become part of this noble, nationwide Hellenic effort.

EXECUTIVE COMMITTEE

Dear Brothers,

Andrew T. Bonis

The HAVM Project Committee needs your support to help recruit veterans' project committees in every chapter in your District.

A. G. Konstantin, Esq.

George H. Konstantopoulos

As you are aware, the Veterans' Memorial will commemorate Greek American Veterans with a Grecian Monument and Wall of Honor which will contain the names of our Veterans. For a tax deductible Veterans' Registration Donation of \$100 the name of a veteran will be engraved on The Wall of Honor. Project information is available on our website, www.ahepavm.org, and the attached flyers provide some details.

CENTRAL COMMITTEE

Chapter committees are needed to create project awareness, register veterans for The Wall of Honor, and raise money. At your upcoming District Convention please ask the chapter delegates to organize a veterans' project committee at their next chapter meeting, or preferably before if possible.

Lt. Gen. Constantinos Korkas

Hon. Nicholas C. Petris

The next meeting for most chapters will be in September, so it is important that they organize a committee at that time as we are planning a major registration drive in November during Veterans' Day and need to have chapter committees in place.

Gas C. Petris

Ideally, we would like to have chapter committees organized before the end of July so we can make contact with committee members and mail support materials during August. This will entail having convention delegates become a committee member or recruiting committee members by personal contact or telephone.

In Districts where there is a District Project Coordinator (a local Project representative) I will notify him and ask that he contact you to coordinate the presentation. If you hear from no one, please make the presentation yourself.

Once chapter committees are organized, the committee chairman will need to submit contact information to the DPC, you, or me so we can furnish support materials and guidelines.

I thank you in advance for your support. If you have any questions, please feel free to contact me.

Sincerely and fraternally,

Lou Eleopoulos

P.S. For your convention, some materials can be downloaded from our website.

I am writing to request that you link the Hellenic American Veterans' Memorial website to your District website. The HAVM website is www.ahepahavm.org.

By doing so, this will create project awareness in your District, Chapters, and community and help us register veterans for the Wall of Honor.

Even though the Memorial is for Greek American veterans, I am sending this request to the Districts in Canada and Greece because some eligible veterans reside there. I want them to be aware of the project and to register.

I thank you in advance for your cooperation. If you have any questions or suggestions, feel free to contact me.

RE: AGENDA EDITORS REPORT

DEAR BROTHER DELEGATES,

I TOOK POSITION OF AGENDA EDITOR TO HELP OUT THE DISTR. SECRETARY. I ALSO HAD IN MY COMPUTER THE CHAPTER REPORTING FORMS THAT EACH CHAPTER IS SUPPOSED TO FILL OUT AND SEND TO ME AS EDITOR AND TO THE DISTRICT GOVERNOR. OUT OF THE 12 CHAPTERS THERE WAS ONLY ONE CHAPTER THAT DID NOT RESPOND, IT WAS THE MARYSVILLE CHAPTER.

THE DEADLINE FOR THESE FORMS TO BE RETURNED WAS MAY 10, 2004. THERE WERE TWO THAT CAME IN CERTIFIED (As per the By-Laws) PRIOR TO THE MAY 10 DEADLINE AND ONE AFTER THE DEADLINE. THE BALANCE TRICKLED IN UP TO A FEW DAYS BEFORE HAVING THE AGENDA PRINTED, WHICH WAS DONE ON JUNE 16, 2004. AND AS YOU CAN SEE IN THE AGENDA SOME OF THE DISTRICT LODGE OFFICERS AND SOME OF THE STANDING COMMITTEE'S DID NOT SEND IN ANY REPORTS.

OF THE REPORTS THAT WERE SENT IN THERE WERE MANY THAT WERE NOT COMPLETE AND HARD TO READ, ALL REPORTS MUST BE TYPED.

THE LISTING OF THE DISTRICT CONVENTION DELEGATES MUST ALSO BE SENT TO THE HOST CITY, SO THAT THEY CAN MAKE BADGES AND PREPARE CONVENTION PACKETS. THIS ALSO GIVES THE HOST CITY A CHANCE TO SEND OUT CONVENTION INFORMATION TO THE DELEGATES LIKE COSTS FOR REGISTRATION, HOTEL RESERVATIONS, AND ACTIVITIES PLANNED.

RESPECTFULLY SUBMITTED,

BILL BOORAS, AGENDA EDITOR

ORDER OF AHEPA - Golden Gate District #21

District Governor's Report

72nd Annual District Convention Sacramento, California June 25-27, 2004

To the delegates and members of Golden Gate District #21:

I wish to thank the delegates of the 71st annual convention in Modesto for electing me Lieutenant Governor. As you all know, Brother James Dariotes accepted a job in Indiana and our bylaws called for my elevation to the office of District Governor. My first feelings were that of anxiety and sadness that our esteemed Governor was leaving our District. I was not sure of what to expect as my lodge and I began our visitations. Once our visitations began, I knew that everything would run smoothly and according to plan. To this, I cannot thank enough and express my deepest appreciation to the other members of the District Lodge. I credit each of them for making this past year a smooth transition for me and enabling our lodge to successfully complete the business of our District. To this effect, I want to also thank the District Lodge of the Daughters of Penelope who worked closely with us throughout the year. I must confess that having members on the Ahepa District Lodge who are married to members of the DOP District Lodge is a match made in Heaven. I can only wish and pray that future Governors of our Order can experience the same luck that I had.

I also wish to thank each chapter for the amazing hospitality they each extended to our lodge during visitations. I was very pleased to meet new brothers and learn that in each chapter there are brothers who hold Ahepa close and dear to their hearts.

In addition to visiting each chapter, I was fortunate to attend the Governor's Conference in Washington, D.C. which was chaired by our Supreme President, A. Jack Georgalis. The central theme for year was to push for new members and although I do not have the final number as of this writing, I do know that our District met the goal set by the Supreme Lodge.

I was also fortunate to attend and chair the meetings of our Fall and Spring Conferences in Oakland and San Jose respectively. I thank the hosts of those aforementioned Conferences and call upon other chapters to host the upcoming Conferences. Many of you noticed that we used a different approach to the Conferences (Round Table in Oakland & Work Shop in San Jose) and by feedback received, I trust that you welcomed the new format. A special thank you is also in order for our esteemed speakers for the work shop who came prepared and did an outstanding job: Andrew Banis, Byron Gavrilis, Bill Booras and Bill Rotas.

I also had the pleasure of attending the annual Crab Feed in Modesto - a sell out event and dinner that was simply outstanding, all for a mere \$30.00. I also attended the Past President's Dinner in San Francisco and San Jose. I also attended: The Flag Raising Ceremony in the City Hall of Oakland; several Thanksgiving parties; The Greek Glendi Night hosted by Oakland; and San Mateo's and Oakland's Christmas Parties.

Finally, unless I devote several more pages to this report, I cannot possibly name and thank each of many brothers personally who make Golden Gate District #21 the best in the Ahepa Domain. On behalf of the entire District, I can assure you that we all know who you are and how much your contributions means to our Order.

Fraternally Yours,

Anastasios (Tasos) G. Konstantin, District Governor

District Lt. Governor Report
72nd Annual District Convention
Sacramento, California
June 24-27, 2004

Mr. Chairman, Past Supreme Lodge Officers, Past District Governors, Members of the District Lodge, Chapter Officers and Delegates:

It has been my pleasure to serve District 21 as your Lt. Governor for the year 2003-2004. As your District Lt. Governor, one of the duties is to manage the advertisements in our Ahepa Traveler. I want to thank Bill Boores PDG in handling the billing of the advertisements and I appreciate his assistance.

I am also Chairman/Manager of the District Charitable Raffle. The Raffle provides funds for the District Scholarships and for the District Lodge General Fund. It is an excellent source of income for Chapter Charities. It increases visibility to the community by contributing to a number of local charities. I want to thank all the Chapters and members who have participated in this worthwhile project. I would especially like to thank the Daughters of Penelope Co-Chairperson, Sophia, for her cooperation, patience and for a job well done.

I attended eleven (11) District Lodge Visitations during the year. In addition, I attended three (3) District Lodge meetings, the Fall Conference, the Spring Conference and other District Social Events.

As I travel throughout the District, I am encouraged to see young members are taking an active role in the operation and leadership in many of our chapters. I wish them continued success and would also like to see some of those members participate on the District Lodge.

Best wishes for a successful convention.

Fraternally Yours,

Paul G. Eliopoulos

**Report from District #21 Secretary
2004 AHEPA Convention
Byron C. Gavrills
5/7/04**

This past year's service as District Secretary has been an eye-opening experience for me. It has allowed me to witness the outstanding programs and achievements of many of our chapters and the struggles of fading chapters who serve thriving parishes. This experience has confirmed my firm belief that the District #21 Lodge must provide strong leadership to recognize and reward active chapters with ambitious and successful programs and, at the same time, provide assistance to the strengthening of struggling chapters and the expansion of new chapters within the District.

I have been able to accompany District Governor Konstantin on most of his chapter visitations this year. I have enjoyed, under his enthusiastic leadership, serving on a strong district lodge with very well qualified and committed district lodge officers. Each member of the District Lodge has had a message to convey to the chapters, representing a number of valuable district projects.

If I am fortunate to be selected to serve as District Secretary for the upcoming year, I would propose that I be given the financial resources with which to proceed with the development of a full scale data base of the names, addresses and e-mail addresses of the chapters and members of this district. I would like to help in the development of a vastly updated website for our District, complete with calendars of events for the District and of each chapter. Just a short visit to the websites of neighboring districts of the Order of AHEPA gives an immediate snapshot of the potential value of a state-of-the-art website for District #21. The websites of these districts contain chapter lists, chapter activities, scholarship news and applications, newsletter articles, district activities, convention agendas, district officers, membership information - - the list goes on and on. I would like to be an active contributor to the process of bringing our district into the modern age of technology and communications with which to build an even stronger District #21.

I have sincerely enjoyed and appreciated the opportunity to serve District #21 as Secretary this past year. I am convinced that our chapters provide invaluable support and resources to the parishes, priests and communities within our district boundaries. We have also provided outstanding support to our members and to the sons and daughters of AHEPA Family members who are pursuing higher education opportunities.

Respectfully,

**Byron C. Gavrills
District #21 Secretary**

**DISTRICT TREASURER'S REPORT
72ND Annual District Convention
June 24-27, 2004 Sacramento, CA**

To the District 21 Lodge, and District Delegates

Last year you honored me by placing my name in nomination, and electing me to serve as your District Treasurer. I would like to report to you that it has indeed been a real honor and pleasure to serve as District 21 Treasurer during the past year. It has given me the opportunity to make new acquaintances and renew older ones with brother AHEPANS. My service was made easier, even fun, since I served in a District Lodge with many distinguished members, whom I call my friends/brother AHEPANS.

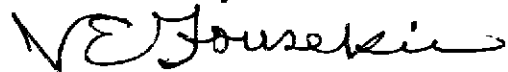

As a member of the District Lodge I had the opportunity and pleasure to visit several chapters and meet new AHEPA brothers. Our visits took us to Marysville, Sacramento, Vallejo and San Jose, San Francisco, Oakland, and San Mateo my home chapter. Unfortunately I could not attend the Modesto, Reno, and Fresno chapter visitations due to events beyond my control.

I attended both the Fall and Spring District Conferences in Oakland and San Jose respectively. At both conferences I presented the financial status of the District, as was expected of me, with accurate account of income and expenses. The District 21 budget is in relatively good shape after all "bills" have been paid. A detailed District budget is presented in a separate section of this report. I have, as part of my responsibilities, deposited all incoming revenues from the various chapters, and have paid all District obligations /"bills" in a timely manner.

As we move on to the next year I would recommend we assign back-up trainees to the important positions of District Auditor and Raffle Chairman, so that we can preserve the fine talent in these key positions

Finally I would like to thank all members of the District 21 Lodge for their cooperation, and support, and the whole District 21 AHEPANS for their trust in me.

Fraternally

Vlasios Fousekis

RED LION HOTELS

WHEREAS, the major goal of the ORDER OF AHEPA has been and should be the promotion of the principles of Hellenism throughout the world and especially the United States of America and Canada, and

WHEREAS, the mission statement of the ORDER OF AHEPA is to create an awareness of the principles of Hellenism to people outside of the Greek-American Community. Hellenism and its ideals should be experienced by all and for generations to come, and

WHEREAS, multiculturalism has launched a major attack against the accomplishments of the ancient Greeks through distortion, misinformation, omission and outright falsehoods; and "...debunking attempts from the accomplishments of the ancient Greeks by revisionists of history..." is a part of AHEPA's mission statement, and

WHEREAS, such attacks should be confronted directly for the purpose of setting the record straight and refuting historical revisionism.

BE IT THEREFORE RESOLVED

That the ORDER OF AHEPA be in the forefront of setting the record straight and should become the umbrella organization for the purpose of raising funds to promote this endeavor, "Our Greek Heritage: The Greek

Roots of Western Civilization” – a documentary produced by Thucydides
Production.

BE IT FURTHER RESOLVED that this resolution be submitted to the
82nd National Convention of the ORDER OF AHEPA to be held in Miami
Beach, Florida from July 19,2004, through July 26, 2004.

The Ahepa Traveler

Official Publication of District 21
2004 Convention Report

Content

The Traveler is an eight or twelve page publication. Content includes news from the Headquarters, District Lodge, Chapters, reporting on special events, district officers list, chapter presidents and secretaries, advertising, etc. Although there is not a problem filling the eight pages and some times twelve pages, it would be helpful and useful if all the chapters would submit articles from time to time. More participation would make the publication more interesting. Report chapter special events, special recognition of a member(s) or family members, chapter projects, and other information of interest to the members. Since *The Traveler* is published only four times a year, it shouldn't be a problem hearing from each chapter at least once during the year.

Circulation

The March/Spring 2004 issue, was 1225 copies. Circulation has gone down from a high of about 1,700 to about 1,200. In 1999 we added "Address Correction Requested" to each issue. This has resulted in a more accurate mailing list because the post office reports changes of addresses while *The Traveler* is still forwarded to the new address. Unfortunately, if there is no forwarding address *The Traveler* is returned. The cost of this service is 60 cents an address correction and the average is about 20 copies per issue (average was about 60-70 copies when the service was first started). Limiting one issue each per household, chapters not reporting new or reinstated members, deaths, and lost members all affect the circulation numbers.

Production Schedule

The Traveler is published four times a year as follows:

Fall issue	Articles to be submitted by August 15	Mail first week of September.
Winter issue	Articles to be submitted by November 15	Mail first week of December.
Spring issue	Articles to be submitted by February 15	Mail first week of March
Summer issue	Articles to be submitted by May 15	Mail first week of June

If articles are not submitted on time the production schedule can not be met.

Cost

The cost for publishing *The Traveler* is:

1) Printing	\$1,013.00
2) Sales Tax	83.57
3) Labeling	150.00
4) Postage	263.20 (varies depending of number copies mailed).
Total Cost	\$1,509.77

1) Printing includes layout, typesetting, graphics, scanning, setup, paper and printing.

2) Sales tax at 8.25%

3) Labeling includes mailing list maintenance, printing labels, affixing labels, sorting by zip code, filling out postal forms, and delivery to the post office.

4) Postage (for the March/Spring issue). \$263.77 cost is for standard mail (bulk rate snail mail). The cost per copy for the this issue is 21.5 cents each. (\$263.77 divided by 1225 copies). Mailing first class would have cost 60 cents each or \$721.80 total.

Advertising

Advertising is down significantly. Current advertisers are the two district lodges, four chapters, The Meniktas Group and Joseph R. Kafka. Established advertising rates are: regular size ads (1.25" x 2.25") \$70 per year, Double size (2.5" x 2.25") \$115 per year and a one issue ad (2.5" x 2.25") \$50. All advertising income goes to the District Lodge.

As a non-profit organization there are some advertising limitations. Postal Regulations 6-1.3.1 Public Law 103-123 reads:

"This provision prohibits the mailing of material at the Nonprofit Standard Mail rates if it contains advertising for credit, debit, or charge cards or similar financial instruments or accounts. This provision also restricts the mailing of material at the Nonprofit Standard Mail rates if it contains advertising for insurance policies and travel arrangements."

Bulk Rate Permit

The Traveler continues to use the Oakland Chapter's bulk rate permit. Oakland is the post office distribution center for the bay area. Mailing from the Oakland office is the best chance for the bulk mail to be distributed in a reasonable amount of time.

Recommendations

1. Chapters should submit their mailing list to *The Traveler* at least twice a year to insure each member receives a copy. For example, submit a copy by August 15 for the fall and winter issues and by February 15 each year for the spring and summer issues. Or if the chapter would prefer, *The Traveler* could mail a copy of its chapter mailing list and the chapter could update and return them.

2. Chapters should submit at least one article per year.

3. Chapters should support *The Traveler* by placing a chapter ad and solicit ads from their member's businesses.

5. Since the *The Traveler* is mailed by standard snail mail and is only published four times a year, it is not a practical method to use as communication tool when responses are needed quickly. Bulk mail may take anywhere from one day to two weeks (or never).

a) To reach the membership more quickly, copies of *The Traveler* could be mailed to each chapter secretary for distribution to their members. This would save time and some of the cost of mailing.

b) The district lodge may want to consider using the internet to communicate to their chapters. A newsletter could be published by the district lodge and emailed and/or mailed first class to each chapter the last week of the month, in time for the chapter's next monthly meeting.

c) *The Traveler* could also be set up as an electronic document and emailed to each chapter for distribution to their members. Ahepa headquarters is doing this with their monthly newsletter. This would be a cost savings of at least \$6,000 per year. Also, it could be set up on a web site so individual members could download a copy. An electronic document could be complete and include color graphics and color photographs.

Summary

The Traveler is interested in improving the content and delivery of the publication. Recommendations and suggestions, within budget restraints, are important. With a little effort and cooperation from all we can achieve this goal.

To the District Convention Delegates
and Members of
Golden Gate District # 21:

Dear Brother AHEPANS,

Greetings from Indianapolis, Indiana!

I am still a member of Golden Gate-Pacific Chapter #150 and therefore a proud member of District #21.

I hope that all of you are in good health and working for the betterment of Golden Gate District #21.

By now you all know that I have left the State of California and moved to Indianapolis, Indiana.

I am employed by the AHEPA National Housing Corporation (ANHC) as the Assistant Director of Development for the past nine months.

I have traveled on behalf of ANHC through out the East, South, and parts of the Midwest. I also have gone to San Berardino, California, where they are going to build an AHEPA Senior Citizens Apartment Complex with 90 units.

That is why I am sending you this letter.

The time has come; for the Golden Gate District to stop thinking about and start building Senior Citizens Apartments... either as an individual Chapter project or a District project.

I have seen the results of other Chapters. It's something to be proud of and it is something that will keep the AHEPA name alive.

Therefore, I am asking the Delgates to the National Convention in Miami, FL. and any other members to attend the seminar being held by the ANHC.

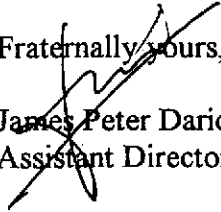

This seminar will be held on Thursday, July 22, 2004 from 10:00 am – 12:00 pm in the Le Mans Room.

I will be there with Demetri Damaskos, the Director of Development, to present the ANHC program on national housing for senior citizens.

It would benefit our District to attend this seminar and hopefully create an interest and desire to pursue this project.

I wish you a successful District Convention and looking forward to seeing all of you at the National Convention.

Fraternally yours,

James Peter Dariotes, PDG
Assistant Director of Development
