CONVENTION MINUTES

BUSINESS SESSION – FRIDAY MORNING – May 30, 2008

The 76th Annual District Convention hosted by the Fresno Chapter #151 of the AHEPA and the LETO Chapter #71 of the Daughters of Penelope was called to order at 9:45 A.M. by the Convention Chairman Bill Booras. Bro. Bill Booras introduced Co-chairman of the convention and President of the Fresno Chapter Michael Makredes. Bro. Makredes welcomed the Delegates to Fresno and wished them successful deliberations and to have an enjoyable time at the convention and the planed affairs. Bro. Makredes then introduced District Governor of District 21, Steve Miller. District Governor Steve Miller thanked the Fresno AHEPA for hosting the 76th District Convention, he also informed the Delegates that missed the diner show “Annie Get Your Gun” last night missed out on a good time. Bro. Miller called upon James Dariotes, PDG and District Chaplain to give the opening prayer. Bro. Miller called for nominations for Convention Business Chairman. Bro. Andy Banis, PSP nominated Brother Michael Makredes. Brother Makredes declines the nomination and in turn nominated Bro. Mike Pappas, PDG. A unanimous ballot was cast for Bro. Mike Pappas for Convention Business Chairman. Bro. Miller opened the nominations for Vice Chr. of the Business session. Bro. Bill Rotas, PDG nominated Bro. Alex Bazos for Vice Chairman. Nominations were closed and a unanimous ballot was cast for Bro. Alex Bazos. Bro. Bill Rotas nominated Bro. Bill Booras, PDG for Convention Secretary. Bill Rotas moved that we elect Robert Sexton as Assistant Convention Secretary to take over while Bro. Bill Booras is away doing convention business. A unanimous ballot was cast for Brothers Bill Booras and Robert Sexton. Past Supreme President Andy Banis gave the oath of office to the newly elected Convention Business Officers. The Secretary read roll call of the Delegates. There were 3 Delegates from the District Lodge, 10 Chapter Delegates, and 9 Past District Governors. 22 Delegates present. Mike Pappas appointed Chris Rockas, PDG, PSC as Parliamentarian for this Convention. Stamus Cocolos was appointed as Marshall. Chairman Mike Pappas appointed the following Brothers as tellers: Andy Mastoras, Bill Anton, Alex Bazos, and Nick Korakas.

The following Chapters gave their Chapter Reports. For full Chapter reports see pages 12-20. Paul Eliopoulos reported for the Chapter #150. They had 4 Chapter members that passed away this last year. They donated \$2000.00 to various causes; they hosted the 75th District Convention last year and will be hosting the National Convention for 2009. The subject of having AHEPA Day in the local Churches was discussed. It varies from Church to Church if it’s allowed. The Chapters should notify their priest early enough to get on to the Church schedule. This topic is to be brought up under new business as suggested by James Dariotes. Bill Booras and Michael Makredes reported for the Fresno Chapter. Fresno has a waffle/brunch to celebrate AHEPA and the founding of the United States in early July in place of AHEPA Day. Michael Makredes reported on our contributions to the Diabetic Youth Foundation and Child Obesity Program. Bill Rotas reported for the Sacramento Chapter. The Chapter rotates the AHEPA Day celebration between the three Churches in the area. The flag raising ceremony attracted over 100 people. Bro. Bill Rotas suggested that we should still stay with our late June District Conventions. Bro. Bill Anton of the Oakland Chapter gave the report. Oakland Chapter donated \$50,000 to help the church build the parking garage. He also reported on some of their affairs. No written report was turned in.

Bro. Arnold Dorer gave the Solano Report. To build up their membership and existence they must raise their profile in the community. To do this they are sponsoring things at the church and doing things together with the local Daughters of Penelope. They put together a VIP club, which is formed by senior male and female members and are disseminating information about AHEPA and Daughters in the community. No one was in attendance from the Marysville Chapter. They are still in the process in raising money to update their AHEPA Home. Stamus Cocolos gave the Modesto Report. They are having a lot of dinner meetings and raising funds to donate to various charities. See report for full details on their donations. Alex Bazos suggested that we become a business club and advertise our businesses. Lou Janakos, PDG reported for the San Mateo Chapter. They have some new officers that are raising interest in the club and doing good things for the Chapter. There were no written reports submitted from the following Chapters: Oakland, Stockton, San Jose, and Reno. There were no Delegates except some PDG's from the following Chapters: San Francisco, Stockton, Marysville, San Jose, San Mateo, and Contra Costa.

Standing Committees: **Scholarship Foundation:** Lou Janakos reported that we have 7 scholarship recipients this year. See page 30-32 for full report. Alex Bazos read a letter from his son in-law, which did not receive one of the scholarships; he was misinformed by Byron Gavrilis that he could apply for a scholarship. Bro. Alex also reported that these applications should be accepted as postmarked and not certified mail. This subject should be brought up to the Grievance Committee. **Charitable Raffle.** George Booras reported that last year we sold 723 tickets, to date he has 599 Charitable Raffle tickets sold. The Contra Costa Chapter has been very active in selling Charitable Raffle tickets. The Daughters Chapters are doing better in ticket sales than the AHEPA Chapters. See pages 33-39 for full report. Bro. Chris Rockas reported on the **Hellenic Project:** To date they have donations of \$36,020.19 and donated time and material of \$15,135.00. The fires in Greece restricted the committee from getting more donations. Bro. Rockas emphasized the purchase of the Hellenic Project lapel pins. See page 29 for full report. **"AHEPA Traveler":** Gus Hazifotis, PDG gave the AHEPA Traveler report. See page 28 for full report. Each Chapter needs to inform the Traveler on what is happening in their Chapters. Chapter Secretaries should update addresses of its membership and send corrections to the Traveler Editor. **Executive Secretary:** Bro. Bill Booras reported that he only received two Chapter Reports by the May 10 deadline. He could not understand why the Chapters could not send in their reports on time. Bro. Booras also thanked the Chapters that bought ads for the Traveler and urged the Chapters to purchase additional ads. He also did not receive E-mail addresses from all the Chapters. See page 23-24 for full report. **Web site:** There was no one in attendance to report on the Web site. The Traveler can be found on the Web site and in color. **District Auditors Report:** Bill Rotas, PDG reported on the Auditors Report. The fact that the Chapters do not send in their per capita tax at the right time and all monies aren't transferred properly, he will have the audit and budget completed by October of 2008. We have a deadline for all deposits, but nobody follows the rules to allow the Audit Committee to complete the report at the proper time. He also reported that we should consider to raise the per capita tax for the District, the \$5.00 per member does not go very far today. We should also consider having some District functions to raise additional monies. His committee will work on the Budget later today and tomorrow. See page 43 for Treasurers Report from Chris Frangos.

District Lodge Reports: There were no reports from the Chaplain, Athletic Director, Warden, Treasurer, and Lt. Governor. Report from District Marshall, Agamemnon Zafiratos, PDG is on page 22. District Secretary Robert Sexton gave the following report: Monies collected to date totaled \$4,445.00, which includes \$2,235 for per capita tax and \$2,190 for Traveler ads. He has not received any per capita tax from Reno or Stockton. District Governors report will be given during the afternoon session. The Chairman appointed delegates to the various convention committees. The morning session was adjourned for lunch at 11:25 AM. Afternoon session to begin at 1:45 PM.

BUSINESS SESSION – FRIDAY – May 30, 2008

The afternoon business session was reconvened at 1:50 P.M. and called to order by the Chairman Mike Pappas. Convention Secretary read the roll call of Delegates. 3 District Lodge Officers, 12 Chapter Delegates, and 7 Past District Governors with a total of 22 Delegates. John Lagios, President of the Reno Chapter gave the following report: They had a crab feed dinner that enabled them to give 5 scholarships to deserving students. The \$20,000 that they won from the Charitable Raffle uses the interest to help their Church. **District Governors Report:** District Governor Steve Miller gave his report. He felt that District 21 is in good shape. Every Chapter is doing something worthwhile. There are a couple of Chapters that are having problems. We must increase our membership by having outside activities and personally approach potential men to become members. See page 21 for written report. District Governor Steve Miller introduced **Supreme Governor Nick Perdaris**. Bro. James Dariotes moved to accept the District Governors Report. Motion passed. A moment of silence was had in remembrance of our departed Brothers. See pages 9-11 for the listings of our departed Brothers.

Special Announcements: Andy Banis, PSP reported on his visitation to Sacramento representing the Supreme Lodge for the 25th of March Flag raising. There was no recognition or presentations to the Sacramento AHEPA Family for their preparations for this day. Keep in mind that we must promote ourselves. Chairman Mike Pappas introduced **Supreme Governor of Region 8 Nick Perdaris** to speak to the delegates. He talked about the new HUD housing project in San Bernardino. He passed out brochures on the new Housing Project. He also reminded us to make our presence known in our communities. He showed a DVD on the up coming New Years Day Float. The question to the Supreme Governor was why doesn't the Supreme Lodge require the various National Projects to provide yearly financial reports? Funds for the fires in Greece have not yet been distributed. Money will be going to specific needs, yet to be determined. Friday afternoon business session adjourned at 3:25 PM.

BUSINESS SESSION – SATURDAY, May 31, 2008 - Reconvened at 9:30 A.M. by the Chairman Mike Pappas. Convention Secretary read the roll call of Delegates. 3 District Lodge Officers, 13 Chapter Delegates, and 8 Past District Lodge officers. 24 Delegates in attendance.

Convention Committee Reports: Stamus Cocolos reported on the **Sons of Pericles and Athletic Committees**. He gave an outline on how to make a good Sons Chapter. He also suggested that we make the Sons and Maids a joint Chapter. We must get good District and Chapter Advisors to get both the Sons and Maids going. Each Chapter must be willing to provide some funding to help the Sons Chapters. Start membership in the same age group, 14 to 17 years of age. Get the National Headquarters to agree on co-ed Chapters. Have joint city Sons and Maids Chapters. When Sons become 21 years of age they must have dual membership with the AHEPA and the Sons. National rules are too strict, they must change the rules. When a Son or Maid becomes 26 they should leave the Sons and Maids and become Ahepans and Daughters. We must be willing to allow them to be the future. See pages 40-41 for written report. **By Laws and Rules Committee:** Bro. Chris Rockas reported that no business was brought to the committee. **Grievance Report:** Grievance report was given by Bro. James Dariotes. There were no grievances, but they do have some recommendations to the Scholarship Foundation. Applications should be revised to be easier to read and understand. There were no suggestions on how the committee should revise the application. Bro. Andy Banis, PSP had grievance on last nights Banquet. Spouses of District Lodge Officers should also be at the head table. The last speaker at the Banquet should be a member of AHEPA. The convention cities should follow the protocol manuals. **Convention Guide Lines:** James Dariotes reported that we should consider mini convention. Maybe we should start with a joint opening luncheon on Friday of the Convention and Scholarship presentations should be held at the Saturday Convention Luncheon and eliminate any Thursday activities. See page 42 for additions to Guide Lines.

Bro. Harry Metaxas moved that the Scholarship Foundation at the Saturday's meeting provide a written or verbal report on its recommendations or suggestions for the coming year. Alex Bazos 2nd the motion. Motion to be discussed after the luncheon. The meeting was adjourned at 10:45 AM. The afternoon session will start at 1:30 PM sharp.

BUSINESS SESSION – SATURDAY AFTERNOON – MAY 31, 2008

Chairman Mike Pappas reconvened the afternoon business session at 1:35 PM. On the above motion by Harry Metaxas; Bro. Chris Rockas reported that the Scholarship Foundation would report from now on at all District Conventions. Secretary Bill Booras read the roll call of Delegates. 3 District Lodge Officers, 16 Chapter Delegates, and 9 Past District Governors with a total of 28 Delegates. Convention Cities Report: Bro. Andy Banis, PSP reported that the San Jose AHEPA Family would be hosting the 2009 District Convention. The Oakland AHEPA Family will be hosting the Fall District Conference and the Modesto AHEPA Family will be hosting the Spring District Conference. There were no volunteers for the 2010 District Convention. Dates for the above meetings will be announced at a later date. Bro. James Dariotes reminded the Delegates that the 2009 National Convention would be held in San Francisco in early July 2009. District Governor Steve Miller gave the Liaison Report: The Daughters of Penelope approved that the Charitable Raffle be continued. Add a line or lines to the Registration Form on Dietary Needs. Preliminary information should be presented at the Fall District Conference regarding the coming District Convention in regards to costs, hotel accommodation, etc. The Daughters recommend that the Friday night and Saturday night affairs be switched. The Ahepans already approved that the Scholarship presentations will be held at the Saturday Luncheon to allow more parents and recipients to attend. The parents should be charged the same price as the recipients instead of the posted charges for the banquet. This item should be up to the Host City to concenter. The Host City to provide an afternoon activity for the recipients and local youth to get acquainted, and possibly entice them to join the Sons and/or Maids. This item should be up to the Host City to concenter. After the morning sessions the host Chapters should be notified and a full refund of registration costs should be given to the Business Chairpersons. Resolutions Committee: Chris Rockas reporting. Resolution #1: Thanking the Ramada Inn and its facilities. Approved as presented. Resolution #2: Thanking the Co-chairpersons of the District Convention. Approved as presented. Resolution #3: Thanked the Fresno AHEPA family for a job well done. Approved as presented. Resolution #4: Thanked the Business Chairpersons for a job well done. Approved as presented. Resolution #5: Thanked outgoing District Lodge Officers for a job well done. Approved as presented. Resolution #6: Contact with Scholarship recipients should be maintained both here and were they are going to school. Be it Resolved that a committee be formed by the District governor to pursue and expand on this matter. Approved as presented. Resolution #7: Golden Gate District #21 disavows any current or future association with the Hellenic American Memorial Project. Be it Resolved that District #21 request that HAVM return all Veterans Registration monies collected back to the appropriate parties. District Executive Secretary is to notify HAVM of this motion and request the refund of the registration fees. Approved as presented. Committee included Brothers Ted Boosalis, Harry Metaxas, and Bill Anton. See page 42 for written report

Membership Committee Report: Chairman Gus Hazifotis reported that there are too many demands on family time and we are competing with Church programs, Golden Seniors, etc. For AHEPA to survive we must find ways to attract and maintain the younger potential member. The committee listed many recommendations, which can be found on pages 25-26. Besides increasing membership we must work on retention as well. The committee included Peter Scamagas, Alex Bazos, Stamus Cocolis, and Bill Anton. He moved for the adoption of the report. Report adopted.

Ahepa Traveler Report: Bro. Gus Hazifotis also reported on the "AHEPA Traveler". The Traveler is a great publication; it has won many National awards. It can be read or downloaded from the Web site. Some suggestions are to have an obituary and sunshine column. Bro. James Dariotes suggested that we should send Brother Bill Christie a letter of appreciation. We should also consider having a District calendar showing the activities from each chapter. It was suggested that we take the activities listed on the Chapter Reports to make a yearly calendar. See written report and other suggestions on page 28. He moved to adopt the report. Report approved as read.

Budget Report: Bro. Bill Rotas reported that he couldn't give an accurate accounting, because some checks have not been received and until yesterday he was still receiving per capita tax checks. The dead lines that we give are not being followed. We have 450 paid members as of today. Cuts were made in the budget and a final report will be presented at the Fall District Conference. After much discussion, Bro. Chris Rockas moved that we tentatively accept the budget with those corrections made by Bro. Bill Rotas. Arnold Dorer seconds the motion. Passed as corrected. Gus Hazifotis was to introduce a Brother from the San Mateo Chapter to inform us about an American University he wishes to start in Athens. After some discussion the topic was tabled until the next convention. District Governor Steve Miller reported that when he met with the liaison committee of the Daughters there was agreement with our recommendations. Steve Miller introduced Bill Anton from Oakland to give us an update on "A Day at the Races" which is scheduled for September 20, 2008. Brother Bill explained all the details. Cost will be \$25.00 per person.

District Awards: District Governor Steve Miller made the following awards: There were no applicants for Ahepan of the Year. Chapter of the year went to Modesto Chapter #246. President of the Year went to Demos Papadopoulos from the Sacramento Chapter #153. These awards will be presented at the Fall Conference in Oakland. Alex Bazos reported on the Web site. Nobody sends information to the Web site. We have to participate wholeheartedly to make it a success. Steve Miller agreed to what Alex said. Harry Metaxas moved that the District Secretary be the source were all correspondence that goes to the Web site be funneled through him. Vlasis Fousekis 2nd the motion. Motion Passed.

**District Governor's Report
76th Annual District Convention
May 29th to June 1st.
Fresno, Ca.**

To all District #21 Lodge Officers and District Delegates.

I was honored to be elected as your District Governor at last years District Convention, hosted by the San Francisco Chapter. Other than a few logistic problems the San Francisco Chapter Golden Gate Pacific #150 did a great job.

As your District Governor I attended every Chapter Visitation with at least one other District Lodge Officer, also our Executive Secretary Brother Bill Booras was in attendance. I was able to attend the morning session of the Fall Conference, hosted by the San Jose Chapter. I would like to thank our Lt. Governor Nick Pries for chairing the afternoon session. As with most events the host Chapters do a great job. The Fall Conference, hosted by the Sacramento Chapter #153 also did a great job. The attendance at both Conferences was quite good. As always attendance could be better. I would urge every Chapter Officer and member to make every attempt to attend these events

A very positive aspect for our District is that our membership has increased this past year. For that I want to thank everyone who sponsored a new member. We all realize that without new members, and ideas, our beloved Order cannot survive.

Many Chapters send me their monthly bulletins, which I am great full. The projects that many Chapters participate in are very commendable. The March 25th parades, the flag raising at many City Halls, and the State Capital which showcase our Hellenic heritage. Many Chapters perform worthy projects for our Churches, from rebuilding a kitchen area by Oakland Chapter #171 at Ascension Cathedral to support for students at Holy Cross Seminary by the Modesto Chapter. The rebates from the Charitable Raffle have to be used for outside charitable purpose, and I am glad to see that edit is being followed.

In closing, I would once again thank all of your hospitably, and great food at all of the visitations. Let all of us put our best foot forward to make District #21 one of the best in the AHEPA world.

Fraternally

**Steve Miller
District Governor #21**

To The District Lodge,

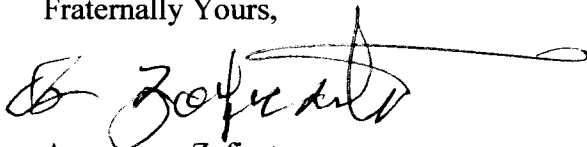

I would like to thank the District Governor for appointing me to the District Lodge as a District Marshall for the year 2007-2008.

I visit every chapter in the District traveling with the District Governor, with the exception of the San Jose District Conference.

I met old friends and made new friends too.

I would like to serve again on the District Lodge if I am appointed by the new District Governor.

Fraternally Yours,

EXECUTIVE SECRETARIES REPORT

Dear Brothers,

It has been very gratifying to serve District No. 21 as Executive Secretary. I visited all but 2 Chapters during the District Lodge visitation schedule as well as both District Conferences. As you well know it takes a lot of effort to keep a Chapter going. The cooperation from the Chapters has been very slow. At this writing I still have not received many Chapter Reporting Forms. The May 10, 2008 deadline for me to receive these reports was a joke, there were two (2) Chapters that responded and one of them was incomplete until a later date. I cannot understand why you could not send these forms in on time? Other than the election of Chapter Officers all other forms could have been sent in on time.

So many times I have requested E-mail address' from the Chapter Officers, but have received only a few. It is so much easier to make contact via the Internet than by mail. If the officers do not have computers, please have one of your members be the liaison between the Executive Secretary and the Chapter Officers.

As the Traveler Ads coordinator, I wish to thank all the Chapters and Brothers that have placed ads in the Traveler. Again I urge you to ask the Brothers in your Chapters that have business' to place an ad in the Traveler. You must also send in information about up coming events and past events so that all chapters can be informed and may even come to your functions. Do not forget to update your Chapters activities with the District Web page.

Fraternally,

Bill Booras, Exec. Sect.

Membership Committee Report

Kostas Gus Hazifotis, Chairman
Peter Scamangas, Fresno
Alex Bazos, Modesto
Stamos Cocolas, Modesto
William Anton, Oakland

Membership is a problem for all Organizations like AHEPA. There are too many demands on family time today and we are also competing with Church Programs such as GOYA, Folk Dancing, Golden Seniors, etc. For AHEPA to survive, we must find ways to attract and retain the younger potential member. AHEPA must also make changes so that belonging to AHEPA is of benefit to the Member.

Recommendations:

1. Every Chapter should appoint a Membership Chairman. His responsibility shall be to develop Membership Program for the Chapter. The Membership Chairman must raise awareness of AHEPA in the Community by AHEPA participating in many community and Church events.
 - a. Sponsor the Coffee Hour after Church
 - b. Participate as a unit at booth at the Church Festival
 - c. Sponsor a Speaker on Hellenism or other subject of interest and invite the community
 - d. Give a BBQ and invite potential members to learn more about AHEPA.
 - e. Sponsor AHEPA Day with Artichasia and/or a luncheon
 - i. Honor Graduating Seniors and give those who attend a certificate and a token gift.
 - f. Sponsor a Day at the Races and invite friends
2. If there is no SOP Chapter, recruit young members (14-18 years) as SOP at Large.
 - a. Initiate them with AHEPA Initiation
 - b. Dues for SOP are \$20 per year
 - c. At age of 18, they become full AHEPA Members

Membership Committee Report (Cont.)

3. Attract the Youth with programs of interest for them
 - a. Sports. Sponsor a Basketball Team by renting a Basketball Court from the YMCA for the youth to practice. Make members of the Team and sponsor them for the Basketball Tournament.
 - b. Sponsor a Bowling Tournament for the youth at your Convention
 - c. Sponsor a Computer Game Contest.

4. The District should develop a Membership Drive and reward Chapters that are successful in attracting new members.
 - a. Most new Members
 - b. Greatest percentage increase in membership

5. Update Chapter commiunications to include the Internet and its potential

6. Improve meetings by minimize the time for business meetings and include speakers of interest.
 - a. Hellenism
 - b. Wills & Trusts
 - c. Health Topics
 - d. Local History Lectures
 - e. Luncheon or dinner meetings

Membership is the life blood of the organization. Attracting new members is only the beginning. Retention is even more important.

Retention. Develop a follow-up Program to maintain the members you attract.

1. Make the top signer a Mentor to make sure that the new mwmbler comes to the meeting
2. Assign the new member to an upcoming Chapter project.

Thank you for the opportunity to work on this important project.

DISTRICT 21 Convention
 June 31, 2008
 Fresno, CA

Subject: Committee Report, "The Traveler"

Reference: Committee

Kostas Gus Hazifotis, Chairman
 Committee, all Delegates

The Traveler is a great District publication that has won several national awards. It is published several times a year and is posted on the District 21 website and mailed to all members. On the website and the photos are in color. The printed version is black and white.

Recommendations:

1. We should have an "Obituary" column for our members that have fallen asleep.
2. We should have a "sunshine column" for our ill members.
3. We should develop an Annual Calendar (National, District & Chapter Events, visitations, etc.) and keep it current.
5. We should develop an email list of the District for communications.
6. **The Traveler** is published 3-4 times a year. We should post District activities on the Website at least once a month.
7. We need to inform the Members on "what's happening" in your Chapter and other AHEPA News on both "**The Traveler**" and the D21 Website.

These were the recommendations of the AHEPA Delegates.

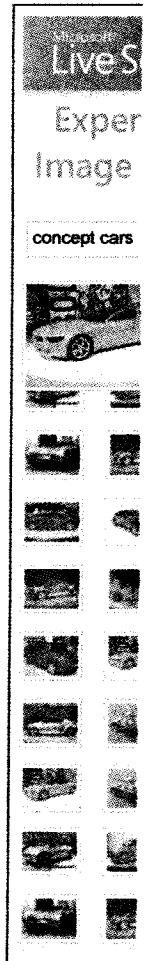

Thank you,

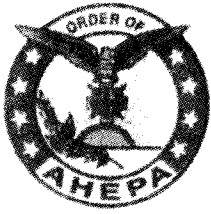

Kostas Gus Hazifotis, PDG

Brothers, Governor, Board members and Delegates, many of you may remember at last years Convention, I had a grievance, that District Scholarships should not be by Certified mail only but by post mark, which was investigated by Brother Dariotes. At that time we discussed my grievance for approximately a total of 30 to 45 minutes.

During that time The District Scholarship Chairman and his Committee never claimed my son in law was not eligible for our District Scholarship, they could have told me. You embarrassed me my son in law and wasted both of our time.

- The statement at the bottom of the District Scholarship form should be change to read must be post marked by (date). No matter how it is mailed.

Respectfully,
Brother Alexander Bazos

Dear Mr. Janakos,

Christos Anesti! I want to extend my appreciation for your letter indicating my ineligibility for the District 21 academic scholarship. Please know I was encouraged to apply in 2007 by the late Byron Gavrilis of the Modesto chapter and only did so at his suggestion. Therefore, I was under the impression that my father-in-law's standing was sufficient in fulfilling the membership requirement.

Again, I thank you for your time and wish your district success in its noble endeavors.

Sincerely,
George M. Tsongranis

To survive Ahepa needs new young people to be active.

What Leadership ^{is} needed to start Sons/Maids

- District Advisor
- National Assistance
- Chapter Assistance
- Chapter Advisor
- Internet Communication

(carrot of promises)

Recommend for new chapter

Entire group ages to be 14 to 17

Duel membership ^(Coed) include Sons and Maids (optional) as a single chapter.

Form Chapters ^{from} ~~an~~ an area which may include more than one AHEPA Chapter as there sponsor.

As members grow older they must have duel membership with Ahepa and Daughters at age 21 on.

A token amount of Dues should be allowed for Duel membership until Age 25.

Urge ages 26 and above to be active as advisors and Ahepa members only.
Daughters

National should put more effort in revising and simplifying sons and maids/^{rules} to exist, and ^{constitution} allowing the option of coed or dual membership if requested.

Benefits for having Sons/Maids

- Easier to qualify for National Scholarship
- Future leaders of Ahepa and Daughters
- Our young people to be educated on their roots and culture. (Hellenism)
- A ^(Someday) chance for sons, daughter, grandsons, granddaughters to exchange vows as Orthodox Christians

The goal is to have future active and productive

Ahepans and Daughters to bring fresh ideas, and ~~of~~ retaining our goals and images of what ~~we are~~, AHEPA should be. also ~~and~~ some of you must be willing to allow them to be the future.

Time expired before Athletics To be included.

- M. Sunday: Church services, then a coffee hour or brunch or whatever the district convention chapters can host. It is up to the chapters to be inventive and create a desire to be there.**
- N. Protocol: The Protocol Manual and this guide are to be referred to and carried out at all time. Common courtesy suggests simple sincere explanations will suffice for exceptions due to space limitations, last minute changes in programs due to illness, unavoidable delays and or postponements.**
- O. Dietary Needs: Add a line or lines to the Registration Form: Dietary Needs e.g. Diabetic, Salt Free, Meatless**
- P. Preliminary information should be made available at the Fall Conference prior to the next Convention date in an abbreviated written format. i.e. Save the Date – Date of Convention – Location, name of hotel and room rates.**
